

EDITORIAL NOTE

We have made further progress in establishing a service of honorary regional correspondents. The team at present is :—

A. Blackshaw (U.K.).
Th. Crombie (South America).
David Hall (New Zealand).
K. A. Henderson (North America).
Bernard Pierre (France).
Count Ugo de Vallepiana (Italy).

To these gentlemen and to all others who have helped to produce this number, we wish to record our thanks.

It will be seen that some of the illustrations in this number fill the full page, others have a white margin. We shall be glad to learn of readers' preferences. While the 'bled-off' picture is no longer fashionable, it does enable us to make full use of our page and in a good mountain photograph every inch helps.

We cannot let the disappearance of *Alpinisme* as a separate publication pass without salutation to all those who made it so excellent and valuable. We wish it all good fortune in its new form, combined with *La Montagne*. Vale atque ave.
