Switzerland

...the Playground of Europe

Switzerland with its magnificent alpine scenery, blue lakes, splendid food and wine, unique sports facilities, plus the carefree gaiety of the varied resorts, offers the most successful recipe for a happy holiday. See your TRAVEL AGENT today. He can arrange for you a fortnight's stay for as little as £ 30.0.0., including the fare from London. Switzerland offers best value for money. Children up to the age of six travel free and up to sixteen at half-rate on Railways, Lake Steamers and Alpine Postal Coaches. Holiday Tickets, Regional and Local Season Tickets make travel much cheaper in this beautiful country. For general information please write to the Swiss National Tourist Office, 458 Strand, London, W. C. 2.

VIKING

NYLON Climbing Ropes

(MADE TO B.S. 3104)

The qualities which commend 'Viking' nylon rope to climbers are its light weight, high tensile strength, durability, resistance to abrasion and elasticity.

Nylon rope dries quickly, does not freeze and is immune to deterioration through rot and mildew. It is extremely flexible and easy to coil even when wet.

Order from your Sports Outfitter and insist on

TIMPSONS

—the boots you can trust

BOOTS. All kinds. For climbing, rambling, ski-ing. In tough-as-they-come leathers. Water-resistant. With Commando soles and heels, or nailed. Designed by climbers. Made by experts. For men. For women. Timpson Boots. Wonderful value.

from **49/11** to **130/-**

Proved on the Himalayas

Timpson boots have been worn on many famous mountaineering expeditions. For example — the successful British Indian Nepalese Services Himalayan Expedition to Annapurna 1960.

REPAIRS AND NAILING

Timpsons specialise in every kind of boot repair. Just hand yours in to any Timpson shop.

A p.c. to Wm. Timpson Ltd., Great Ducie Street, Manchester, 3, will bring you a fully illustrated catalogue.

Abseiling on Shepherd's Crag, Borrowdale.

la Dolomite

BRITISH CAUCASUS EXPEDITION

This picture has been taken in Russia by a member of the British Caucasus Expedition (Leader Sir John Hunt). It features Russian Climbers inspecting with great interest the DOLOMITE HIGH ALTITUDE BOOT NO. 302, which was used by members of the Expedition. They had never before seen such high grade handmade footwear. Have you? If not see your nearest Dolomite dealer at once for all types of DOLOMITE SKI and CLIMBING BOOTS, or contact us for the name and address of the stockist nearest to your home.
